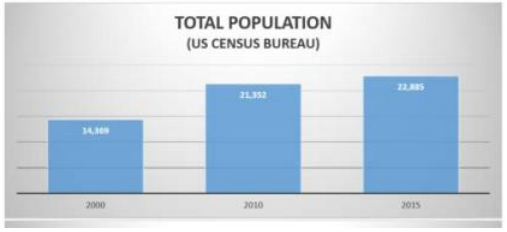
City of Pelham, Alabama

Community Description
The City of Pelham is located in Shelby County, Alabama with a total land size of 39.2 square miles. Pelham is located approximately 15 miles south of the City of Birmingham. The City of Birmingham is a major metropolitan area in the State of Alabama with a population of over 200,000 people. Pelham is directly accessible by Interstate 65, which is a known drug trafficking corridor through the State of Alabama. US Highway 31 runs through the city and is a main traffic route into Birmingham.

Pelham is a growing city. Pelham has seen a significant increase in population over the past 15 years and, with that, an increase in total housing units. The City of Pelham has also seen shifts in certain areas of its population demographics.



Pelham Prevention Team
Working Group Strategy Recommendations

Working Group: Alcohol

Problem Statement: Alcohol use by 6th-12th grade students in Pelham, Alabama

Root Causes	Local Conditions
Availability/Access	Social access through home
	Social access through friends who have taken alcohol from home
	Social access through college-age friends who provide alcohol to teens
	Retail access through stores who sell to minors
Parental Attitudes	Allowing youth to drink at home because it is safe
	Providing alcohol for special events (football games; Homecoming; after prom parties)
	Providing alcohol to teens as a "rite of passage"
Favorable Youth Attitudes	Perception that alcohol use makes things more fun; Entertaining
	Peer influence

Please use the following tables to document at least one recommended strategy for your Problem Statement for each of the 7 Strategies for Community-Level Change. Strategies should target at least one of the above Local Conditions.

No matter where, BE RESPONSIBLE.
Hosting underage drinking is against the law.

Dear Parents:

This week the final school bell will ring-in summer. Children want to have fun. For some that will mean experimentation with alcohol and drugs. Don't make the mistake of thinking that it is safer if it occurs under *your* roof.

Please Know:

- ⇒ Children are dying of overdose deaths every day.
- ⇒ Children die every day of accidental deaths related to alcohol and drug use.
- ⇒ You are accountable if you host a party or simply allow experimentation under your roof.
- ⇒ The Law . . .

A violation occurs if:

1) *An adult has authorized the party at the residence and is in attendance.*
2) *The adult knows that an underage person possesses or is using an alcoholic beverage or controlled substance.*
3) *The adult fails to take reasonable action to prevent an underage person from possessing or using an alcoholic beverage or controlled substance.*

HAVE A HAPPY AND SAFE SUMMER!

OUR PLEDGE

PROTECTING OUR CHILDREN

Our nation continues to lose citizens to death by drug overdoses caused by addiction.

We understand that addiction, also known as substance abuse disorder, is a disease and that the use mind altering substances by people between the ages of 12 and 21 can greatly increases the risk of developing a substance abuse disorder later in life.

Products that may have mind altering qualities or that are packaged in such a way as to promote, glamorize, or otherwise downplay the dangers inherent in the use of mind altering substances shoul not be placed in locations that can be easily seen by minors or displayed in ways that are appealing t them.

In light of this knowledge, we hereby PLEDGE to remove any and all products that advertise mind altering qualities, as well as any product known or suspected by law enforcement officers to be used deliver mind altering substance into the human body, and also products that may be used to attemp mask the use of mind altering substances by frustrating urinalysis or other substance use testing procedures away from the point of purchase. These products, if sold at all, will be placed behind the counter, and not otherwise prominently displayed.

We are not just merchants. We are members of this our great community, and we pledge to work w parents, teachers, law enforcement officers, and public officials to keep the CHILDREN of our great community safe.
