
PROGRAM OBJECTIVES

1. Assist those in public management for public sector agencies in recognizing and handling the many situations presented in their job.
2. Provide a foundation of knowledge and skills to those individuals involved in local government management.

OUR SERVICES

GEDI cooperates with various professional organizations to provide certification programs to enhance the knowledge and skills of public sector officials and employees. We provide on-site training to governments in a variety of topic areas aimed at improving personnel and financial management, strengthening leadership and team development, improving government services to citizens, increasing organizational efficiency, and educating about important legal and ethical issues. Programs are tailored to an individual government's needs and time considerations.

ABOUT US

The Government & Economic Development Institute (GEDI) is widely recognized as Alabama's top organization for university outreach. Because of its excellent reputation, GEDI is the "go-to" resource for education, consulting, and policy leadership by the state and local governments and the economic development community. GEDI has strong Auburn University support and is adequately staffed to assist all clients who need its programs and services. GEDI continues to build upon its strong traditional programming, but remains relevant to emerging state and community needs.

Auburn University is an equal opportunity educational institution/employer.
