

ACCMA 2023 Conferences

Sponsorship Program

The Alabama City/County Management Association (ACCMA) holds two conferences each year. The Winter Conference is held in January and the Summer Conference in June. These conferences, which are made possible by the generosity and support of our sponsors, provide our members with the highest quality of educational sessions while offering them optimal networking opportunities. Through sponsorships, companies receive many benefits, such as added visibility, increased name recognition, and expanded awareness of products and services to city and county government administrative staff and elected officials in Alabama. ACCMA offers four levels of Sponsorship: Platinum, Gold, Silver, and Bronze. Details of each level are listed below.
