

AN IMPORTANT ONE-DAY EVENT

CRITICAL INCIDENT CONSIDERATIONS FOR APPOINTED AND ELECTED OFFICIALS

THURSDAY, AUGUST 22, 2019

8 a.m. to 5 p.m. | Rosen Centre Hotel | Orlando, FL

This one-day event will offer firsthand debriefs by several distinguished individuals who helped guide their communities through the aftermaths of some of the most horrific acts of mass violence in recent history. Debriefs will include the San Bernardino terrorist incident, the Aurora theater attack, and the Pulse nightclub event, among others.

TOPICS COVERED:

How to foster community-wide emergency preparedness

What tactics, training, and equipment public safety agencies require to respond more efficiently

How to best support incident commanders during all operational phases

What resources state and federal governments bring to the table

Practical and realistic approaches to family reunification

The importance of immediate and ongoing social, TV and print media relations on a local, national and international level

Supporting the survivors and community throughout the vigils, protests, visiting dignitaries, funerals and anniversaries that follow

How to achieve recovery and resilience among your employees and constituents

Risk management issues

Political implications

Conducting and learning from internal and external after-action reviews

INTENDED FOR:

- County executives
- Mayors
- City and village managers
- Township supervisors
- City council members
- Boards of supervisors
- Law enforcement executives
- Fire service executives
- School administrators
- Risk managers
- Attorneys

COST: \$99
